

GMR Kamalanga Energy celebrates 'Joy of Giving Week'

PBD BUREAU

BHUBANESWAR, OCT 28

GMR Kamalanga Energy Limited (GKEL) celebrated 'Daan Ustav' to spread message of 'Joy of Giving' with series of activities.

The week-long activity was initiated by GMR Varalskhmi Foundation (GMRVF), the CSR arm of GMR Group, to build the responsibility of employees and their family members of giving back to the society.

The employees were encouraged to contribute in cash and kind – clothes, blankets, shoes, school bags, toys, books, stationery, biscuits – for the old age community and orphanage children. The old clothes and biscuit packets were handed over to the orphanage-cum-old age home at Gobindpur in Dhenkanal. Blankets were also distributed to 107

aged people of the periphery villages. Employees donated study kits which included note books, pens and pencils to 103 students of Mangalpur Primary School.

Pragati Ladies Club at GKEL organized a special programme in Maniabada Anganwadi Centre, wherein Club members spent quality

time with the children. An interaction session was conducted by the members and the children enjoyed learning through games, identification of images, objects, colour, animal and birds. The members distributed toys, letter books and coloring books to the children.

"Every year we celebrate "Joy of Giving Week" to foster a sense compassion among our employees and associates. Our employees regularly participate in various CSR activities having direct and positive impact on the community in the local area," said GKEL COO Ramesh R Pai.
